1. THE IRISH MODEL

The **outer layers** are composed of the artefacts and products as well as patterns of behaviour.

The **next layer** encompasses the beliefs, norms and attitudes of that culture.

has successfully completed the training course

A European School for All Children

Teacher Trainer: Layla Dari
Florence | July 10th - July 14th 2023

During this 25-hour course, the participant acquired crucial knowledge on ICT tools that can be used to empower students and develop intercultural awareness. They also discovered how to create a completely inclusive environment tailored for multicultural, mixed-ability classrooms comprised of students with various educational needs.
